College of Liberal Arts and Sciences – Plan of Study for Cognitive Science MINORS

A final plan of study for the minor, signed by the Director of Undergraduate Studies in Cognitive Science, must be filed with the Registrar during the first four weeks of classes of the semester in which a student expects to graduate, along with the final plan of study for his/her major. Another copy of the signed form should go the student's major advisor. Once filed with the Registrar, changes in the plan may be made only with the consent of the Director of Undergraduate Studies.

Completion of a minor requires that a student earn a C (2.0) or better in each of the courses for the minor. A maximum of 3 credits towards the minor may be transfer credits of courses equivalent to University of Connecticut courses. Substitutions are not possible for required courses in a minor.

Course Requirements

To earn a minor in Cognitive Science, a student must take 15 credits the 2000 level. COGS 2201 is required, plus four additional courses coming from at least three areas (A through F). No more than 6 credits may be counted from any one department.
